

TOURS ESCAPE FROM NHA TRANG

1. OVERVIEW:

Nha Trang is the coastal capital of Khanh Hoa province on the South Central Coast of Vietnam. Historically, it was known as Kauthara during the Champa period. Nowadays, visitors still see the vestige of this empire via the famous Po Nagar tower.

The city is one of popular tourist destinations in the country, for both local and foreigners alike thanks to its beaches. Nha Trang Bay is widely considered as among the world's most beautiful bays. Kilometers of white sandy beaches with mountains at each end as well as the many tropical islands, clear aqua waters and abundant underwater life and coral reefs make it a destination for scuba diving and snorkeling.

Nha Trang has a big choice of international brand-name hotels and resorts, a wide selection of restaurants serving seafood and shell fish, the many cafés, bars are favorite hang-outs for travelers. Having been among the popular tourist attractions for long time, it is no longer an undiscovered beach treasure, but the atmosphere here is always relaxed, jovial and fun. Combined with its natural diversity, mild temperature year-round has made Nha Trang a premier seaside retreat for everyone.
