

# VIETNAM HISTORY IN-DEEP TALK WITH SPECIAL HANOIAN

## INTRODUCTION

If you wish to see the in-depth Vietnam's history, culture as well as its society beyond common touristic perspective, take a deep talk with our exclusive special Hanoian. He is a very knowledgeable person who will satisfy your curiosity with compelling stories and insights like his unforgettably shocking memories of the fierce US bombing on Hanoi in 1972 as a six-year-old child. Growing up after the war when Vietnam was totally isolated, he witnessed the change of the country opening to the world.

He is a son of one of the most renowned female poets in Vietnam whose works are such an important part of Vietnam contemporary literature that for over 20 years till now her prominent have been incorporated in the national literature education programs from elementary up to secondary schooling. Learned and fluent in English, he can discuss with you a wide variety of subjects of interest such as the origin of Vietnamese people, the name and formation of Vietnam as a nation, the military strategies applied in the American War, faiths and religions in Vietnam, the role of women in the Vietnamese society, the current socio-economic environment as well as the political system of Vietnam and so much more.

A conversation with him in cozy daily cafe in Hanoi and share about a country rich in cultural traditions will broaden your view and enrich your knowledge about Vietnam in an inspiring way.
